VACANCIES.

Admission to the Prince of Wales's Royal Indian Military College, Dehra Dun.

Government House, Guindy, 31st August 1942.

In connexion with the admission of candidates to the Prince of Wales's Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates:—

(1) The college provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a cadet college with a view to obtaining commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Navy, and making one of these services their profession in life. The course of study at the college will, however, be such that, should a boy fail in the competitive examination for admission to a cadet college or for entry in the Royal Indian Navy, he will be in an favourable a position for entry to a university as if he had been educated at an ordinary school.

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India.

(b) Indian States.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 20th January 1943.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix to this notification.

(5) The fees of students are Rs. 1,500 for each school year. This is a privileged rate and is liable to enhancement hereafter, if circumstances require. Any enhancement of fees that may hereafter be decided upon will, however, be applied to new entrants only. These fees will include tuition, messing, school servants and medical attendance of the ordinary kind and, as initial provision, one suit of the uniform to be worn by students when at the college. Charges on account of washing of cadets' clothing and mending their clothing, boots and shoes, as well as the cost of books and stationery (which will be supplied by the college) over and above the Government grant for the purpose will be met by the parents or guardians of the cadets.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the college authorities, on his entering the college, the sum of Rs. 50 which will be returned when the cadet finally leaves the college provided that all dues have been paid.

Should it be necessary for cadets to be admitted into a hospital (other than the college hospital), or to provide additional nursing extra for the treatment of cadets in the college hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the college. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration (on this point final decision will rest with the Government of India). In cases where notice of withdrawal is given in the first half of the term preceding the term from which the cadet is to be withdrawn, the recovery of a full term's fees in lieu may be waived at the discretion of the Government of India.

(6) Remission of fees will be granted in August each year to the sons of Indian Officers or men who have served in the regular army, where the services and financial circumstances of the father warrant it. Such remissions are limited to Rs. 600 per annum to any one cadet and are granted for a year at a time, after which they are reviewed.

(7) A scholarship of the value of Rs. 1,160 will be available during 1943-44 and will be granted in accordance with the rules issued in G.O. No. 1038, Public (Political), dated 22nd May 1940. (No scholarship will be available for 1942-43.)
